Re: **PSC Dckt. No. 16-1031**
Comments of Gary Myers

Dear Madam Secretary:

The above matter is listed on the agenda for action by the Commission at its July 2018 meeting. I have prepared some comments (with an attachment) that I would like the Commission to consider with regard to that matter. The comments are attached.

Can you please circulate this letter and my comments to the Commissioners to allow them whether to consider them. I caution that this letter and the comments are in separate .pdf files so that both files should be circulated. This letter and the comments are recorded here in .pdf format.

If you have any questions, please contact me. If you desire, or the rPSC rules require, that I file hard, paper copies of my comments please let me know promptly.

Respectfully submitted,

/s/ GAM
